Circular for New Session 2025-26

Esteemed Parents,

We are indeed thankful to you for being a supportive parent and enthusiastic guide. It gives us immense pleasure to have valuable suggestions from you time to time.

As you know, D. A. V. stands for Dayanand Anglo Vedic. The name itself reflects all, as it exhibits the motto of our institution more beautifully than any slogan could. Anglo, as well as Vedic, we have succeeded in treading the tightrope with modernity on one side and tradition on the other. Past or present, we have maintained a balance between the values of the years gone by and the trends of the current times.

We are proud to have determined parents like you, who have been giving support & suggestions to the school management.
