

DAV Public School, Madhepur

Circular

Esteemed Parents,

We are indeed thankful to you for being a supportive parent and enthusiastic guide. It gives us immense pleasure to have good suggestions from you time to time.

As you know, D. A. V. stands for Dayanand Anglo Vedic School. The name itself reflects all as it exhibits the motto of our institution more beautifully than any slogan could. Anglo, as well as Vedic, we have succeeded in treading the tightrope with modernity on one side and tradition on the other. Past or present, we have maintained a balance between the value of the years gone by and the trends of the current times.

We believe that there is a tremendous amount of energy, capability and talent inherent in every child. Here we have been giving the right atmosphere, an enriching and stimulating environment, an opportunity which gives an outcome, a confident, smart, productive individual who is ready to take on the challenges of modern day society.

We at DAV, always try to make students mentally strong and to develop honest and good thoughts in their mind, so that they would be total quality people:- people with strong character, integrity, good values and a positive attitude.
